IN PARTNERSHIP WITH

Building Realistic Ideas, Developing Goals, Extending Skills

BRIDGES is a course designed specifically for you. You will be able to gain experience in a range of careers including:

Hair
Beauty
Brick laying
Carpentry
Childcare
Computing
Games design
Photography
Catering
Business
Sport

You will have the opportunity to work in small groups with a personal dedicated coach who will help you to prepare for your future job. You will take part in a combination of one to one and small group sessions and will get help with improving your skills for work.

BRIDGES includes a range of the following:

One to one sessions
Small group work
On line learning
Work experience
Industry skills

Each course is designed specific to your needs so each **BRIDGES** programme is different.
